

# 2's Activities with Carol

---

Below are some ideas for the Cherry Blossom and Daisy families to do at home.

1) Here's a video exploring snails and art:

2) The below Kids Soup link explores other snails and worms preschool activities:

3) Mad House has a project for building a Plastic Bottle Wind Spiral Mobile:

Lastly, I placed some bags containing paint and other take-home projects outside the office for parents to pick-up.

Have fun, and see you next week.
