The monthly School Age fee is averaged out for the entire year. This fee includes all day childcare on district-wide Livermore Public School Release Days during the school year and all-day care during the summer months. We will consider opening for other school release days with a minimum of 5 children in attendance. The School Age Summer Only rate is for those children who attend for the summer months only.

The Center observes the same holiday schedule as LLNL and also closes one day per calendar year for a staff workday (usually, but not always, the Friday before Labor Day.)

For all families, payment of tuition fees is made via Automatic Checking Account Debit to be debited on or near the 1st of each month. If parents prefer to pay by Paper check (including checks automatically sent by a bank) there will be a \$10.00 handling fee per check. This fee will be waived for extra day payments, partial month payments, i.e. first and last month tuition and field trip fees. Paper Check tuition payments received after the fifth day are considered late and are subject to a late fee assessment of \$25.00.

All payments are required in advance of your child's attendance.

Families needing to withdraw their child/ren from the Children's Center must notify the Center in writing one month in advance of withdrawal or payment in lieu of notice will be required. Additionally, families must give one month notice upon submitting any care change requests.

Part-time rates are prorated according to the full-time monthly rate plus an additional 20% surcharge (Part-time is Two or Three full days per week).

Family vacation time taken during the year is not refundable.

Our tuition rates are subject to change annually in January.

ADMISSION AGREEMENT

The LLESA Children's Center provides year-round, quality childcare to the children of LLNL and long-term Contract Employees of LLNL. Our hours are: Infant and Toddler Rooms & Preschool Rooms 7:00 a.m. to 5:45 p.m., Kindergarten After School 12:00 – 5:55, 1st Grade - 12 Yrs Old After school 2:00 – 5:55, School Age (K-12 Yrs Old) Summer 7:00 – 5:45. In all of our programs a full day may not exceed 9 1/2 hours per day unless prior Director Approval is obtained. An additional fee may be assessed.

In our School Age Program (Kindergarten to 12 Yrs Old) there is occasionally a need to operate a full day during the school year because of School Release Days (i.e., Teacher Workdays, Winter Break). On those days, we will operate from 7:00 a.m. to 5:45 p.m.

Our Tuition Rates are included in our Parent Handbook. We will give at least 30 calendar day's prior written notice to the parents of any basic rate change. Payment of tuition fees for all parents is made via Automatic Checking Account Debit. We will refund tuition to any employee, except for School Age summer only enrollment, whose child is leaving the Children's Center, after the required one month written notice period. Children enrolled in our School Age program for summer only care is required to enroll for the entire summer.

As we are a Licensed Child Care Facility, there will be periodic unannounced visits by the Licensing Agency throughout the year. They have the authority to interview the children and staff and to inspect and audit the children's and facility records without prior consent. The Licensing Agency also has the authority to have a licensed medical professional physically examine the child(ren) if they see indications of abuse, neglect, or inappropriate placement. Licensing also requires that all enrollment forms must be turned in to the Children's Center prior to the child's first day of attendance.

Also, in accordance with licensing regulations: 1) All families must schedule a pre-enrollment interview with the Center Director to determine appropriateness of placement, 2) All parents will be informed of their parent rights and their child's personal rights, 3) All parents must sign their child in and out each day, using their full legal signature, and 4) A Needs and Services Plan for each child under the age of 2 will be written and discussed between the parents and staff on a quarterly basis.

This agreement may be terminated either by the parents giving us at least a one month written notice of withdrawal (except School Age summer only care enrollees, who are required to pay tuition for the entire summer) or by the Children's Center Director if conditions warrant it.

Please sign and date the form below and return it to the Children's Center when your child(ren) has been enrolled in the Center.

I have read and hereby agree to abide by the LLESA Children's Center Admission Agreement.

FINANCIAL AGREEMENT

Childcare tuition is due on the first of the month. The LLESA Children's Center collects tuition via Automatic Checking Account Debit or Credit/Debit Card Charge (fees apply for credit/debit only). The charge is made on the first of the month or shortly thereafter.

For all Families: I hereby agree to utilize the Automatic Checking Account Debit System or Credit/Debit Card Charge (fees apply for credit/debit only) to cover monthly tuition. I understand that I am responsible for updating any Checking Account or Card changes as soon as they occur. I will fill out and return to the Children's Center a Automated Payment Processing Form. The Children's Center will start the debits according to the information on my form. If my monthly tuition decreases, the Children's Center will automatically make the change. If my monthly tuition increases, I will need to submit a new form to the Children's Center office.

Fees: I understand the following payment fees:

* Credit/Debit Cards: 2.7% fee charged per transaction

* \$23.50 charge for any declined automatic debit transactions

*\$45 returned check fee for any initial deposit checks that bounce

For School Age summer only enrollees: I hereby agree to enroll for the entire summer months (starting the Monday after school is released and continuing until the first day of the new school year according to the Livermore School District Calendar). I further agree to pay the tuition for the entire summer whether my child attends or not. I understand that I will be billed for 10-11 weeks of care (depending on the Livermore School Calendar) payable in three installments with the first installment due when the space is accepted

For all Parents: I hereby agree to notify the Children's Center, in writing, at least one month in advance of my child's withdrawal or pay the difference.

Responsible Party: Please indicate which person will be solely responsible for tuition. It is acceptable, in the case of divorced parents for example, to have tuition payments received from more than one source, however only one person may be designated as the responsible party for tuition. This person is the one we would go to if any source of tuition is late and they would be responsible to pay all portions of the tuition to continue enrollment.

Ointment Use Permission Form

The Children's Center staff purchase ointments and certain products that are used on the children. The teachers will occasionally apply diapering ointments such as Desitin for the comfort of the child, Neosporin to a cut or scrape, Kirkland Baby Wipes for hand wiping and diapering, and sunscreen for outdoor play.

For your child's optimum health and safety the teaching staff will need to be aware of any allergies your child may have to these items or if families would prefer them not to be used for their child. Families are also welcome to bring their own supplies for their child as long as approved per Licensing.

Please fill out the Ointment Use Permission Form below and submit it to the teaching staff as soon as possible.

ASSUMPTION OF THE RISK AND WAIVER OF LIABILITY RELATING TO CORONAVIRUS/COVID-19

In March of 2020, the World Health Organization (“WHO”) had declared a worldwide pandemic due to COVID-19, a novel coronavirus. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. In response to the outbreak of COVID-19, federal, state, and local governments and federal and state health agencies urge social distancing and have, in many locations, prohibited groups of people from congregating together. As of 2022, the LLESA Children’s Center will continue to follow all California State Licensing and Alameda County Health Department guidelines with regards to the COVID-19 virus.

While the LLESA Children’s Center (referred to herein as “Children’s Center”), an Essential Business as defined under the California and Alameda County Health Department, has taken certain steps to implement preventative measures designed with the goal of reducing the spread of COVID-19, Children’s Center cannot guarantee that you, your child(ren), and your family will not become infected with COVID-19. Attending the Children’s Center could increase the risk that you, your child(ren), and your family contract COVID-19. The Children’s Center is committed to maintaining standards that comply with, and in some instances exceed, the guidelines issued within the California State Licensing and Alameda County Health Department for childcare providers.

By reviewing and signing this Assumption of Risk and Waiver of Liability, you are acknowledging that you understand the highly contagious nature of COVID-19 and that you voluntarily assume the risk that you, your child(ren), and your family may be infected by or exposed to COVID-19 by attending the Children’s Center, and that such infection or exposure may result in injuries including, but not limited to: personal injury, illness, permanent disabilities, death, damages, losses, liabilities, and expenses (collectively, “Injuries”). You understand and acknowledge that the risk of becoming exposed to or infected by COVID-19 at the Children’s Center may be caused by the omissions, actions, and negligence of yourself and other individuals, including, but not limited to the affiliates, shareholders, directors, officers, employees, volunteers, and other attendees and their respective families of the Children’s Center.

You also agree, represent, and warrant that you will comply with the Children’s Center current policy in relation to quarantining if identified as a close contact of an infected person. And, neither you nor your child(ren) attending the Children’s Center shall visit the Children’s Center if you or your child(ren): (i) experience any symptoms of COVID-19, including, but not limited to, fever, cough, or shortness of breath; or (ii) have a suspected or confirmed case of COVID-19. You agree to immediately notify the Children’s Center if you, your child(ren), or

any person within your household experiences any of the aforementioned COVID-19 symptoms or has a confirmed diagnosis of COVID-19 if your child(ren) has continued attending the Children's Center. Should you breach any of these representations and warranties made to the Children's Center, you agree to indemnify and save and hold harmless the Children's Center, its affiliates, shareholders, directors, officers, employees, volunteers and agents from any and all loss, liability, damages, or costs that they may incur as a result of your breach.

You hereby voluntarily agree to assume all the aforementioned risks and agree to accept sole responsibility for any and all Injuries that you, your child(ren), and your family may experience or incur in connection with your child(ren)'s attendance and participation in the Children's Center and Children's Center programming ("Claims"). This Assumption of Risk and Waiver of Liability shall include any and all Claims based on the omissions, actions, and negligence of shareholders, directors, officers, employees, volunteers, and other attendees and their respective families of the Children's Center, regardless of whether any infection or exposure to COVID-19 occurs before, during, or after attendance at the Children's Center.

On your behalf, and on behalf of your child(ren) and your family, you hereby release, covenant not to sue, discharge, and hold harmless the Children's Center and all of its affiliates, shareholders, directors, officers, employees, volunteers, agents, and representatives of and from any and all Claims, including all costs, expenses, damages, and liabilities arising out of or relating thereto. You understand and are aware that by agreeing to this Assumption of Risk and Waiver of Liability, you are giving up all legal rights, including the right to recover damages in case of any Injuries or Claims. You also understand that this Assumption of Risk and Waiver of Liability is made on behalf of your minor child(ren) and you represent and warrant to the Children's Center that you have full legal authority on behalf of such child(ren).

Dear New Families,

Welcome to the LLESA Children's Center! Our program uses the Ages & Stages Questionnaire (ASQ-3 & ASQ-Social Emotional) developmental screening tool which allows us to gain detailed information about your child from their most important expert – you! The information that families provide will help us better understand your child's unique development and needs while in our program.

The ASQ-3 and ASQ-SE is specifically tailored to each child's age and stage of development. The information you supply will help reveal your child's strengths, uncover any areas of concern, and determine if there are community resources or services that may be useful for your child or your family. This information will also assist the teaching staff to best meet the group and individual needs of children in each classroom and promote good communication between our families and teachers.

The Children's Center implements the ASQ series a few times per year for each child as follows:

- At program entry,
- Prior to spring conferences for 2's through Pre K Classrooms
- At classroom transitions
- On an as needed basis throughout their enrollment in the program

Please access the ASQ-3 & ASQ-SE tools from the following links

<https://www.asqonline.com/family/786e24> and <https://www.asqonline.com/family/fe8666> then have fun completing them with your child! We will prompt our families for future ASQ completions.

Thanks for sharing about your child with us and we look forward to our continued partnership at the LLESA Children's Center!

Contactless Sign In/Out System

Dear Parents,

The LLESA Children's Center uses a contactless system to check children in and out of the program. This system will help avoid any wait when signing your child(ren) in and out and will also help our directors and staff see attendance updates for all classrooms in real time.

How will I use the App?

Though the app offers several features for parents and staff, **we ONLY use the sign in and out feature for attendance purposes.**

The Children's Center uses a **QR code** method. Each classroom will have a QR code posted. Parents will use their personal cell phones to open the Procure app, scan the code and check their child(ren) in or out.

**Please note: School Age Children are allowed to be checked in/out by the School Age Teacher. Parents will still need to use this QR method upon pick-up.*

How do I get the app?

Before your start date, you will receive an email invitation from Procure with a unique 10-digit code and instructions on how to download and log into the app. **Please be sure to sign up before your child's first day so that you can easily drop-off / pick-up on that day.**

Please see below instructions on use of the check in system for parents & authorized pick-up persons:

Parents:

- Download the Procure Parent Engagement App
- Once at the center, open the app and click the "QR code symbol" in the upper right, which will open the camera
- Point the camera at the QR code posted in the classroom
- The code will scan and you will be prompted to sign in/out your child(ren)
- Click "Sign in" or "Sign out" as appropriate

Authorized Pick Up Persons:

*(Authorized Pick-Up Persons: refers only to contacts that are on your child's emergency pick-up list, filled out at enrollment.)**

- Open the camera on your phone
- Point the camera at the QR code posted in the classroom
- The code will scan and you will be prompted to visit a URL
- Once at the website, you will be prompted to enter your personal PIN # (provided by the front office)
- After entering the PIN #, you will be prompted to sign-in/out the child(ren)
- Click "Sign in" or "Sign out" as appropriate

**Authorized Pick-Up Persons will have to check in with the office prior to dropping off/picking up a child for the first time. They will receive their personal PIN number to complete the sign-in/out process. Once they have checked in with the office, their PIN # will remain the same each time they come to the Children's Center.*

If you need any assistance with this process, please feel free to contact Rachael Yamaoka (Office Manager) at 925-424-0507 or ryamaoka@llesacc.org. We appreciate your cooperation!

IMPORTANT INFORMATION

CAREGIVER BACKGROUND CHECK INFORMATION

The law requires that the Community Care Licensing Division check the criminal background of all adults who apply for a license to operate a community care facility. We also check the criminal background of all adults who want to work, reside in or have contact with clients being cared for in a community care facility.

What is a background check?

As part of the background check process you must be fingerprinted and tell whether you have ever been convicted of a crime other than a minor traffic violation. The Department of Justice and the FBI will check your fingerprints against their criminal record information. If you will have contact with children, your name will be checked against the Child Abuse Central Index registry. This is a listing of people who have been reported for suspected child abuse. If you have not been convicted of a crime and have no child abuse history, you will be given a "clearance."

What if I have a criminal conviction?

If you were ever convicted of a crime, other than a minor traffic violation, even if it happened a long time ago, you cannot own, live or work (including some volunteers) in a facility unless we give you an "exemption." If the Department of Justice notifies us that you were convicted of a crime, we will notify the facility operator that an exemption is needed. If you were convicted of a serious crime or if you are on supervised probation after being convicted of a crime, you probably won't be given an exemption.

You do not qualify for a criminal record exemption if you have ever been convicted of a serious crime such as robbery, sexual battery, child abuse, elder or dependent adult abuse, rape, first degree burglary, arson, or kidnapping. These kinds of crimes are **nonexemptible** and if you were convicted of one of them, **by law you will never be allowed in a facility.**

How do I get a criminal record exemption?

As part of the request for an exemption, the facility operator or you must send us convincing proof that you are of good character in spite of your conviction. We will review any information you submit as well as the number and type of crimes committed, how long ago the crime(s) happened, what kind of work you will be doing and whether you will be working with children, adults, or the elderly. *(You need not disclose any marijuana-related offenses covered by the marijuana reform legislation codified at Health and Safety Code sections 11361.5 and 11361.7.)* If we find that you were not truthful in the information you submitted for your exemption, we will deny your exemption request. In most cases, if you are currently on supervised probation or on parole you will **not** be granted an exemption. If your exemption is denied, and you are married to or living with someone who is applying for a license and care will be provided in your home, his or her application will be denied because everyone who lives in the home must have a clearance or exemption. If a criminal record exemption is granted to you and you later move, or want to work in a different facility, your exemption will be re-evaluated based on your new role and our current laws, regulations, and policies. If you are arrested or convicted after an exemption is granted to you, your exemption may be cancelled. If you are married to or living with someone who is licensed, and care is provided in your home, the facility license may be suspended or revoked.

You are strongly encouraged to read the licensing criminal record exemption regulations to find out the amount of time that must pass following your conviction, before you can qualify for an exemption. Some convictions require longer periods of time following conviction than others. The regulations and other information can be found on our web site at www.cclcd.ca.gov.

How long does the criminal record exemption process take to complete?

If you do not have a criminal record, a clearance is normally available in a few days. If an exemption is needed, it may take three months or longer to complete the process.

DISCLOSURE OF CRIMINAL RECORD EXEMPTION INFORMATION UNDER THE CALIFORNIA PUBLIC RECORDS ACT

If you are granted a criminal record exemption, your name will be given out to the public, upon request. If you own a facility and you have staff, residents or volunteers who have a criminal record exemption, the name of your facility will be given out to the public, upon request.

POTENTIAL SOURCES OF LEAD

- Old paint, especially if it is chipped or peeling or if the home has been recently repaired or remodeled
- House dust
- Soil
- Some imported dishes, pots and water crocks. Some older dishware, especially if it is cracked, chipped, or worn
- Work clothes and shoes worn if working with lead
- Some food, candies and spices from other countries
- Some jewelry, toys, and other consumer products
- Some traditional home remedies and traditional make-up
- Lead fishing weights and lead bullets
- Water, especially if plumbing materials contain lead

SYMPTOMS OF LEAD EXPOSURE

Most children who have lead poisoning do not look or act sick. Symptoms, if any, may be confused with common childhood complaints, such as stomachache, crankiness, headaches, or loss of appetite.

OPTIONS FOR LEAD TESTING

A blood lead test is free if you have Medi-Cal or if you are in the Child Health and Disability Prevention Program (CHDP). Children on Medi-Cal, CHDP, Head Start, WIC, or at risk for lead poisoning, should be tested at age 1 and 2. Health insurance plans will also pay for this test. Ask your child's doctor about blood lead testing.

For more information, go to the California Childhood Lead Poisoning Prevention Branch's website at www.cdph.ca.gov/programs/clppb, or call them at (510) 620-5600.

(The information and images found on this publication are adapted from the California Department of Public Health Childhood Lead Poisoning Prevention Program.)

1/2019

EFFECTS OF LEAD EXPOSURE

Children 1-6 years old are the most at risk for lead poisoning.

- Lead poisoning can harm a child's nervous system and brain when they are still forming, causing learning and behavior problems that may last a lifetime.
- Lead can lead to a low blood count (anemia).
- Even small amounts of lead in the body can make it hard for children to learn, pay attention, and succeed in school.
- Higher amounts of lead exposure can damage the nervous system, kidneys, and other major organs. Very high exposure can lead to seizures or death.

LEAD POISONING FACTS

- Buildup of lead in the body is referred to as lead poisoning.
- Lead is a naturally occurring metal that has been used in many products and is harmful to the human body.
- There is no known safe level of lead in the body.
- Small amounts of lead in the body can cause lifelong learning and behavior problems.
- Lead poisoning is one of the most common environmental illnesses in California children.
- The United States has taken many steps to remove sources of lead, but lead is still around us.

IN THE US:

- Lead in house paint was severely reduced in 1978.
- Lead solder in food cans was banned in the 1980s.
- Lead in gasoline was removed in the early 1990s.

LEAD IN TAP WATER

The only way to know if tap water has lead is to have it tested.

Tap water is more likely to have lead if:

- Plumbing materials, including fixtures, solder (used for joining metals), or service lines have lead in them;
- Water does not come from a public water system (e.g., a private well).

To reduce any potential exposure to lead in tap water:

- **Flush the pipes in your home**
Let water run at least 30 seconds before using it for cooking, drinking, or baby formula (if used). If water has not been used for 6 hours or longer, let water run until it feels cold (1 to 5 minutes).*
- **Use only cold tap water for cooking, drinking, or baby formula (if used)**
If water needs to be heated, use cold water and heat on stove or in microwave.
- **Care for your plumbing**
Lead solder should not be used for plumbing work. Periodically remove faucet strainers and run water for 3-5 minutes.*

- **Filter your water-** Consider using a water filter certified to remove lead.

WARNING!

Some water crocks have lead. Do not give a child water from a water crock unless you know the crock does not have lead.

(*Water saving tip: Collect your running water and use it to water plants not intended for eating.)

For information on testing your water for lead, visit The Environmental Protection Agency at www.epa.gov/lead/protect-your-family-exposures-lead or call (800) 426-4791.

You can also visit The California Department of Public Health's website at <https://www.cdph.ca.gov>.
